KX-E4020 Electronic Typewriter

A Typewriter With Character

The Panasonic KX-E4020 is not just an ordinary electronic typewriter, it's a typewriter with character.

- 34 Character Liquid Crystal Display
- 20 Character Per Second Print Speed
- 1,000 Character Correction Memory
- 20,000 Character Internal Memory
- 32,000 Character RAM Card Storage

Sophisticated Characteristics

The KX-E4020 has such sophisticated editing characteristics, that it brings you closer to perfection. With its Quick Erase feature you can erase one word at a time. Or, you can search for a word and replace it with a new one with its Search and Replace feature.

It even lets you move, copy, delete or print blocks of information. And, you can copy them from one text or phrase location to another if desired. How's that for sophistication?

And, that's not all...With the SpellCorrect® Dictionary your documents can be error free...not only will the KX-E4020 inform you that a word is misspelled, it will give you the correct spelling. Plus, the KX-E4020 alerts you when you have used the same word consecutively.

Performance...Integrity...Dependability...

The Panasonic KX-E4020 maintains its integrity while it performs a variety of your applications with features such as Insert Codes, Forms Layout and Mail Merge. In addition, you can store documents externally on 32,000 Character RAM Cards. All this and the dependability you need from a name you can count on...Panasonic.
